## Welcome...

Search EUGRIS

EUGRIS is a web portal offering information and services on topics related to soil and water. EUGRIS operates as a community of collaborating projects, people and organisations who co-operate to supply information for the benefit of everyone and also to promote themselves and disseminate their work. ([>> more <<](#)). EUGRIS began as a **project** supported by the European Commission under the Fifth Framework Programme and other supporters.

- EUGRIS helps you to quickly find the information you need using simple search tools and/or structured access to information, based on topic country or type of information.
- EUGRIS helps you to disseminate your own information to a wide audience. Registered users are able to add information, use the directories and access a wider range of EUGRIS tools. Registration is free.
